

Mary's Grotto Beautification Project

Mary's Grotto at Our Lady of Victory School will offer an additional place for praying and learning among beautiful landscaping, trees and lush gardens. As part of the renovation and beautification of the courtyard, you are invited to purchase a commemorative brick to be placed in Mary's Grotto.

Now is your opportunity to secure your place in Rebel history with a laser-imprinted, high-quality commemorative brick. Bricks may honor students, alumni, friends, faculty and staff. Support the project by ordering a brick in your family's name, in honor of a loved one, or to promote your business. Through your generous donation, Phase I of Mary's Grotto will be completed in the summer of 2009.

Funds raised through this campaign will benefit the Mary's Grotto Beautification Project, and support the students of Our Lady of Victory School.
