

## CULINARY DELIGHTS POLICIES

IF YOU HAVE ANY QUESTIONS FEEL FREE TO CALL ME AT 907-7227

1. Lunch Order forms and the payment for the entire month's lunch ticket are due by the due date specified on the order form.
2. There are no credits given for absences. The food is purchased in advance. If your child is absent on a day that they have ordered a lunch you can make arrangements to pick up the lunch. Just call me before 10:00 am on the day of the absence and I will bag it up for you.
3. If your child has not ordered a hot lunch and for some reason he or she does not bring their lunch to school, I will do my best to feed your child. They will have to wait until I have served the preordered lunches and I cannot guarantee that they will be given the scheduled hot lunch. They may be given what I have on hand, if anything is left. And you will be billed accordingly.
4. Please complete the lunch ticket order form entirely. Name, grade, # of lunches etc. Please make the checks payable to Culinary Delights, not to O.L.V.
5. Milk and juice tickets can also be purchased through the lunch program. A milk or juice ticket is good for 20 milks, or 20 juices. The cost is \$10.00 each. The drinks can be purchased day by day, they are \$.50 each.
6. I do not have time to heat up any food that a child has brought from home. Absolutely no exceptions.
7. There is a \$25.00 service charge on all return checks. If you have a check that is returned and it happens a second time I will have to place you on a cash only basis.
8. Because I am trying to provide healthier lunches this year, there will be salads available for purchase. Your student may purchase in place of the entrée or purchase them separately. These salads will have lettuce, fresh vegetables and a good source of protein, such as chicken, beans, hard boiled egg, etc. The salads can be purchased on the lunch order form by writing an S on the date on the form. If ordered from the menu, the salad lunch would include the drink and fruit if it is provided that day. If purchasing day by day I ask that you order first thing in the morning, if your child waits until lunch time to order there is a chance that I will not have supplies left or the time to prepare them.

Thank You,

Joan Herman
