FINANCIAL CONTRACT 2008-2009 – REVISED 4-30-08

Budgeting for a program of quality education at Our Lady of Victory School requires that the family of each student enrolled honors its commitment to pay tuition when due. The obligation to pay tuition is legal as well as moral, and the School Board will report to a collection agency any unpaid accounts that have proven uncollectible after reasonable attempts by the school.

REGISTRATION

Completed registration payments are due no later than May 23. Children are not considered registered until the registration payment is complete. Places in classes will not be held after May 23.

Registration payments are a one-time payment at registration time each year to cover student diocesan assessments, books, insurances, etc. **REGISTRATION FEES ARE NONREFUNDABLE.**

TUITION

Tuition accounts are handled by the SMART Tuition Management Company. Enrollment for next school year will not be accepted from any family who has a balance from the prior year unless acceptable arrangements for payment have been made with the school office. It is a diocesan policy that any family with a delinquent account in a Catholic elementary school cannot be admitted to another Catholic elementary school. Returned checks have a \$20.00 service charge and will automatically put you on a cash or money order basis after the first returned check.

FUNDRAISING

Fundraising is a necessary part of the OLV School Community. Because of fundraisers and scrip participation, we are able to continue to offer a comprehensive computer program as well as extra curricular activities, like sports and academic competitions. All mandatory participation activities are approved by the school board and the pastor.
