

S.H.A.R.E.S. PROGRAM

Reduce your OLV Registration Fees by Shopping at SaveMart or FoodMaxx!

What is the S.H.A.R.E.S. Program?

- Our Lady of Victory School has partnered with SaveMart Corporation to help offset the cost of attending catholic school.
- S.H.A.R.E.S. is a fundraising program developed by SaveMart to support its community, similar to scrip.
- S.H.A.R.E.S. stands for Supporting Humanities, Arts, Recreation, Education and Sports.
- Each time you participate in S.H.A.R.E.S., SaveMart will electronically donate THREE PERCENT (3%) of your purchases to OLV! (Traditional scrip offers profit of 2%.)
- OLV applies this donation to your registration fees for the following year according to the parent handbook.

Receiving your S.H.A.R.E.S. Card

- Complete the form below which orders your S.H.A.R.E.S. cards in your child's name.
- Each parent is allowed two cards per child. Although you may not need two cards per child, you may give cards to grandparents or other family member to help reduce your registration fees.

Using the S.H.A.R.E.S. Card

- The S.H.A.R.E.S. card is similar to a rechargeable gift card and does not have any value when issued.
- To add monetary value, you may use cash, credit cards, personal checks or debit cards.
- Cashiers are familiar with the process of using S.H.A.R.E.S. cards – there is never a hassle.
- Use the S.H.A.R.E.S. card when you shop at Save Mart Supermarkets, FoodMaxx or S-Mart foods by swiping your card just as you would a gift or credit card.

Remember

- THREE PERCENT of the money you add to the S.H.A.R.E.S. card is electronically transferred to OLV in your child's name.
- This amount helps reduce your registration fees for the following year.
- It costs you nothing and it costs the school nothing.
- Personal information is not required to sign up for the card.
- Cards expire upon student graduation or moving to another school.
